

## Hammocks in the Park!

Come on out to Lake Lenape Park on May 25th to relax and enjoy the colorful hand-woven Mayan string hammocks provided by Sellersville Parks and Recreation Board! The hammocks will be up all summer, but be the first to try them out! Lake Lenape Park is a beautiful and peaceful place to rest in the shade, catch a breeze or take a nap! From your comfortable hammock, you can watch the squirrels play, listen to the birds, and maybe catch sight of a turtle in the creek. Remember to leave the hammocks exactly as you found them, for the next person to enjoy!
