Perkasie Library Family Program Guide

Sensory Storytimes

Mondays, May 7, 21, & June 4

Sensory Storytimes are a thirty-minute interactive storytime for children on a preschool level. These sessions are ideal for children on the autism spectrum, with sensory processing issues, or who feel overwhelmed by noises or crowds. After storytime, join us for thirty minutes of monitored social play including toys aimed at improving fine & gross motor skills.

Due to the nature of this program, registration will be limited to 10 children and their families per session. Please register for Sensory Storytime online at www.buckslib.org.
