

Safety First

Please slow down. Remember our crews are out daily in neighborhoods at 6 am. When our vehicle is stopped, please watch for workers moving around the vehicle.

Our crews cannot go around parked vehicles or onto private property to collect waste or recyclables. Please ensure that your items are placed at the curbside and are clear of obstruction.

In snow emergencies, our crews may start on a delayed schedule. If we cannot service you safely, we will coordinate the next service with the Borough.

Crews cannot climb snow banks or cross ice to remove your waste or recyclables. Please place your container in a clear, accessible location.

Our collection vehicles are powerful, complex machines. Please stay clear of them when our crews are working in your neighborhood.

We'll handle it from here.™

Respectful

We value others and demonstrate that in everything we do.

Responsible

We do the right thing – always and every day.

Reliable

We are trustworthy and accountable.

Resourceful

We maximize our strengths to get the job done.

Relentless

We work hard and never give up.

Borough of Sellersville Residential Waste Collection & Recycling Service Guidelines

Residential Waste

Sellersville residents are provided twice a week pickup for waste and once a week pickup of recyclables on the 2nd pickup of the week.

Collection begins at 6 am. You may place your refuse at curbside, no earlier than 6 pm the night before your scheduled collection day.

Household waste containers should be between 20 - 35 gallons and may not exceed 50 pounds in weight when loaded. Multiple containers may be placed out on pickup day. Use only sturdy plastic or metal containers with handles and detachable lids. Do not use cardboard boxes for trash containers as they can become damp and fall apart at the curb.

Small amounts of construction debris from homes can be placed with household waste. Size and preparation limits still apply. Any wood should be bundled (less than 4 feet in length) with nails removed.

For large renovations, building contractors should contact Republic Services for the removal of debris via commercial collection services.

Republic Services

Customer Service 610-275-6767

Broken glass hidden in a can is a constant danger to the collectors. Glass windows or doors must be taped across all areas and on both sides. Please do not put glass or long metal items in plastic bags!

Unacceptable Items:

Household hazardous wastes such as; gasoline, waste oil, non-latex paints, varnish, thinners, pesticides, drain cleaner, pool chemicals, bottled gas, car or truck parts are NOT PERMITTED with regular household waste. Bucks County provides drop off days for these materials. Liquid wastes of any type will NOT BE ACCEPTED for collection). All paint containers must be completely dry and lids removed.

For more information on what to do with Household Hazardous Wastes:

www.buckscounty.org

Curbside Recycling

Recycling is collected on the 2nd pickup day of the week only. Recyclables should be placed in a recycle bin or a container clearly marked as "Recyclables."

Do not use cardboard boxes for trash containers. They can become damp and fall apart at the curb. Materials and bundles should be tied securely and no longer than 4 feet. Bundles must be easily handled by one person.

Accepted Items:

- PAPER:** Newspaper, magazines, phone books, catalogs, cracker and cereal boxes, cardboard (*flattened*)
- GLASS:** Bottles and jars
- METAL:** Food and beverage cans
- PLASTICS:** Any household plastic bottles or containers (#1 - #7 stamped on bottom)

Place ALL ITEMS TOGETHER in a marked recycle container separate from your waste. Please remember to rinse items before placing in the bin. Lids are acceptable for recycling.

Unacceptable Items:

- Motor Oil Containers
- Plastic Grocery Bags (*your local store may take them*)
- Styrofoam
- Window Glass or Drinking Glasses
- Ceramics and Dinner Plates
- Aluminum Foil or Foil Pan

Bulk Items

Large items (furniture, cabinets, washers, dryers, etc.) are collected on the 2nd pickup day of the week. A separate crew may collect the bulk items. There is a limit of one bulk item per week.

Unacceptable Items:

Refrigerators, freezers, dehumidifiers or air conditioners containing CFCs are collected by appointment only and a fee will be charged.

Call 215-723-0400 to schedule

Sharps Disposal

Needles from home medical use must be disposed of properly. Containers must be puncture proof. If a 'SHARPS' container is not available, laundry detergent bottles work well. Information is available at medical providers or online:

www.SafeNeedleDisposal.org

Holidays

If your trash collection day falls on a holiday, it will be picked up on the next scheduled collection day. Recycling will be picked up the next week.

Holidays are: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving, Christmas Day
