Winterfest

A possible new Christmas tree was discussed after Mrs. Hallman, and the rest of Borough Council were able to view it at the Annual PSAB Conference. The large pine tree that has been used for the past few years is no longer an option, and Parks and Rec all agreed that they liked the pre-lit Christmas tree. They commented on its affordability and the option to buy attachments each year, if wanted, to make the tree taller. Mrs. Hallman also discussed the Christmas decorations in front of the Sellersville Museum. Ms. Tremmel noted that Mrs. Detweiler was interested in putting the same decorations at Borough Hall this year.

Unfinished Business

Mrs. Hallman noted that the Public Works Department fixed some issues with the softball field bathrooms over the weekend.

Ms. Tremmel asked if any members of the Parks and Rec Board could help pass out advertisement flyers for the National Bell Ringing Ceremony.
